Respected Elders, Brothers and Sisters,

All Praises be to the Almighty and Most Merciful, the Creator of us all, for choosing us to serve the sick and the needy. We all, from the bottom of our hearts, thank you all for your continuous and generous contributions without which serving the sick would have been a difficult task.

Year 2014-15 had been extremely challenging and eventful for us to improve and consolidate the services at ASWT. Our main focus have been the elaborate renovation, restoration and expansion programme at Alipore Hospital Building and Campus as well as upgradation of departments with new machineries and equipment, providing Free Medical Services to Remote Villages via Mobile Medical Unit, Organising Medical Camps & Health Awareness Programmes, Improving Canteen Services, and its ongoing in the coming years too, hence the year was challenging, eventful and most satisfying.

"A good objective of leadership is to help those who are doing poorly to do well and to help those who are doing well to do even better." – we are striving to do exactly that at ASWT's Alipore Hospital.

In the coming pages, you shall see how the year was, in respect of services and facilities provided and also how the year was eventful in pictorial format, because it is said, *'A picture speaks more than thousand words'*. As you turn pages reading about the services rendered and events during the year, our request to all of you is to continue extend good wishes and thoughts.
